**Last Sunday's Committee Meeting – May 20th**

Included on the agenda were the following:

- Present financial position.
- A brief summary of the annual Archdiocesan Clergy Conference held in May at Southend on Sea. *Prayer night and day.*
- Reflections on Great Week and Holy Pascha.
- Community walks – see over.
- WatsApp Group – contact Constantine or Salem.
- Archdiocesan Community Fund – approach will be made for the following item works.
- Windows replacement. The three main windows showing advanced need of repair, four contractors were approached for estimates, two were received. At the same time it was decided to replace the main doors. The total cost of this commitment will be £5,339 which will be a considerable drain on our resources so if anyone would like to make a special contribution towards this it would be appreciated.
- Continuing "new church" considerations discussed briefly and one or two approaches have been made regarding land availability.
- Exterior redecoration. One quotation had been received and rejected. We have two volunteers – any other? (After windows and doors completed).
- **Safeguarding Policy** including recent communication from the Charity Commission regarding legal responsibilities. Our own Policy can be seen on the narthex notice board. On May 25<sup>th</sup> the **General Data Protection Regulation (GDPR)** - a *directive* from the EU - came into force. Although individuals may exchange information, as far as our Community is concerned no part of the data I hold as parish priest is disclosed to any third party except with the permission of the person whose data it is. Data is used solely for correspondence, information and pastoral purposes and at most includes name, address, telephone number and email address. Please let me know if you wish to be deleted from this data. Fr. Nikitas.
