Ioana Maria, daughter of Christina and Michai, sister of Luca, was baptised on Friday September 15th. A happy and important occasion.

Efstefan & Mari began their journey home on 17th September. From Cornwall to Heathrow, then to Lebanon and onward through Syria to their family and Christian home in Aleppo. How blessed we are when we hear of the sufferings of that country to think how easy it is for us to follow the Orthodox Christian Way but at the same time can so readily fall to worldly pleasures and pressures of the secular society. **Latest news – home safe and sound.**

Nicolas (Karsa) completed a second course of treatment in Vienna recently and is expected to undergo a third soon, this time in St.Petersburg. These treatments are very costly and if anyone would like to help Nick's family fund this please in the first instance speak to Fr. Nikitas.

PROPOSED NEW CHURCH

Our new church fund is not sufficient to cover the next stage (planning application) and so the decision has been made to place an indefinite hold on any further action. Should a significant change occur in this situation we can reconsider the decision. Expenditure to date has been on professional fees – architect and quantity surveyor. Meanwhile we still need to fund raise and make our individual financial commitment to assist the work of the Church.

HELP SHARE THE BURDEN AND FULFIL THE TASKS!

Having given advance notice in the August Newsletter, the date for the election/appointment of committee members will take place on Sunday 26th November. It would be helpful for forms to be given in by Sunday 19th November. Meetings should take place about every two months and usually do so after a Sunday Divine Liturgy or by committee decision.

WHAT'S HAPPENED TO OUR SUNDAYS?

A question often asked. In the series of leaflets "Introduction to Orthodox Christianity", the answer given to this question is: nothing! Take a leaflet to find out why. For those not at work or school remember also those weekday celebrations - see two in November* .

We, who in a mystery represent the Cherubim and sing the thrice-holy hymn to the life-giving Trinity, let us now lay aside every care of this life.

For we are about to receive the King of all, invisibly escorted by the anglic hosts. Alleluia.

The Cherubic Hymn.
